RE: COUNTERVAILING DUTIES - MAILEABLE IRON PIPE FITTINGS
FROM THAILAND (C-549-803)

1. The Department of Commerce did not receive a request for an administrative review of the countervailing duty order for malleable iron pipe fittings from Thailand for the review periods November 30, 1988 through February 9, 1989, February 10, 1989 through December 31, 1989, and January 1, 1990 through December 31, 1990.

2. The merchandise covered by these instructions are shipments of malleable iron pipe fittings from Thailand, advanced in

condition by operations or processes subsequent to the casting process, other than with groove. For 1988 entries such merchandise was classifiable under item number 610.7400 of the Tariff Schedule of the United States Annotated. For 1989\1990 entries, such merchandise was classifiable under HTS item number 7307.19.90.

3. Therefore, in accordance with section 355.22(g) of the Commerce Regulations, you are to assess countervailing duties at rates equal to the cash deposit or bond for the estimated countervailing duties required at the time of entry on merchandise entered, or withdrawn from warehouse, for consumption on or after November 30, 1988 and exported on or before December 31, 1990.
4. The rates of estimated countervailing duties which were required to be deposited are:

Manufacturer	ID Number	Period	Ad Valorem Rate
All Firms	C-549-803-000	11\30\88-02\09\89	3.28 percent
	C-549-803-000	02\10\89-12\31\90	2.94 percent

5. The suspension of liquidation ordered for this merchandise entered or withdrawn from warehouse for consumption on or after November 30, 1988 and on or before December 31, 1990 is lifted. The suspension of liquidation for all shipments of this merchandise exported after December 31, 1990 will continue. You are to continue to collect a cash deposit of estimated countervailing duties at the current rate of 2.94 percent of the f.o.b invoice price.
6. The provisions of section 778 of the Tariff Act require that interest be paid on overpayments or underpayments of amounts deposited as estimated countervailing duties. Such interest is payable at the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period. The interest shall be calculated at that rate from the date of payment of

estimated duties through the date of liquidation.

7. If there are any questions regarding this matter by Customs officers, please contact Via E-Mail, through the Regional Antidumping\Countervailing Duty Coordinator, the Trade Compliance Division, Antidumping\Countervailing Duty Branch, using attribute "HQ OAB".
